## **TOWN MEETING SCHEDULE MONDAY, MARCH 8, 1965**

**9:45 a.m.**

**MEET AT CENTRAL HALL TO  
ELECT MODERATOR, ELECT  
TOWN OFFICERS AND ACT ON  
OTHER ARTICLES AS MAY BE  
PLACED ON SECRET BALLOT.**

**7:30 p.m.**

**MEET AT FOXCROFT ACADEMY  
GYMNASIUM TO ACT ON AR-  
TICLES IN ANNUAL WARRANT.**

**TOWN MANAGER & TAX COLLECTOR**

**At Central Hall**

8:30 a.m.—12:00

1:00 p.m.—5:00 p.m.

Saturdays 8:30 a.m.—12:00

**IMPORTANT**

All Taxpayers should read the following requirements and comply with them:

Section 70, Chapter 13, Revised Statutes of Maine, 1930:

“Before making an assessment, the Assessors shall give reasonable notice in writing to the Inhabitants, by posting notifications in some public place in town, or shall notify them, in such other ways as the town at its Annual Meeting directs, to make and to bring in to them true and perfect lists of their polls and all their estates, real and personal, not by law exempt from taxation, of which they were possessed on the first day of April of the same year. If any resident owner, after such notice, does not bring in such lists, he is thereby barred of his right to make application to the Assessors or the County Commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed.”

**Please Bring Your Town Report To Town Meeting**

## TOWN OFFICERS 1964-1965

ELECTED MARCH 9, 1964

### Selectmen, Assessors & Overseers of the Poor

J. Milton Harvey, Chairman	Term expires 1965

Kenneth Small	

**Airport Advisory Committee**

Eugene Mountain, Jr.	Term expires 1965
Evans Page	
(Appointed by Selectmen)	Term expires 1965
R. Morton Sweetser	Term expires 1966
Malcolm Brown	Term expires 1967
Linus J. Stitham	Term expires 1968

## TOWN MANAGER'S REPORT

### Administration & Financial:

The total funds available for operations during the year were \$1,154,451.74, the expenditures were \$1,072,837.17, leaving a balance of \$81,614.57 at year's end.

This year's local tax commitment was \$406,571.28, and was appropriated as follows:

Administration	\$ 25,100.00
Protection	20,570.00
Health & Sanitation	7,550.00
Charity	15,300.00
Schools	207,248.00
Highways	46,876.00
Cemeteries	3,800.00
Miscellaneous	19,610.00
Tax	48,517.28
Finance	12,000.00

The town debt is \$131,159.26, comprising \$15,000.00 school construction notes, \$113,959.26 Academy Gym Notes and \$2,200.00 sewer construction note.

The Selectmen held 21 regular and several special meetings. The Assessors met several times during the year and are constantly trying to improve our property assessment.

### Protection:

The law enforcement functions are carried on by two regular and several part time officers, with help from the Sheriff's department, and State Police. This year, as in past years, an intensive program for pedestrian safety has been carried on. It is the duty of every citizen to be conscious of their own safety as well as

that of others at all times.

The Planning Committee has met several times and made recommendations to the Selectmen on traffic hazards, such as one way traffic on Harvey Street and Exchange Street. These recommendations have been put into effect by the Selectmen.

A survey together with recommendations for lighting West Main Street has been completed and presented to the Advisory Board.

#### **Public Works :**

During the year the highway department carried on the General Highway and Street maintenance. Road construction was accomplished on the Foxcroft Center Road, Back Road to East Dover, and on Norton Hill Road. Tar was extended to Foxcroft Center and one half mile on the Range Road. Part of Pine Street was reconstructed under the State Aid Program. Steel stringers were placed in the Black Stream Bridge on the Board Eddy Road. Most streets were tarred, many tended on Mechanic Street and Hancock Street. Ceme-culverts replaced, and roads graded. Sewers were ex-teries were cared for, some needed drainage was in-stalled and a portion of the markers in the old yard were cleaned and straightened.

#### **Miscellaneous :**

The Dutch Elm Disease control program was again entered into with the State. Some control work was accomplished and 18 trees that were diseased were removed. Much work is needed in this field to save our Elm Trees.

Sebec Lake Beach was used extensively this year. The parking seemed adequate for most occasions, and

the lighting was improved. The area was kept clean and in good condition.

Respectfully submitted,

LAURENCE A. PEABODY,  
Town Manager

## AUDITOR'S REPORT

Year Ended December 31, 1964

Board of Selectmen  
Dover-Foxcroft  
Maine

Gentlemen:

In accordance with Chapter 90-A, Revised Statutes of 1954, an audit has been completed of the financial records of the Town of Dover-Foxcroft for the fiscal year ended December 31, 1964.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting and included such auditing procedures as were considered necessary in the circumstances.

The exhibits and schedules, incorporated in this report, present the results of the Town's financial operations for the period indicated.

Respectfully submitted,

L. C. NEAL,  
Public Accountant

LCN: mn

A COPY OF AUDITOR'S REPORT WILL BE ON  
FILE AT THE TOWN OFFICE.

## COMMENTS

### TOWN OF DOVER-FOXCROFT

December 31, 1963 to December 31, 1964

\*\*\*\*\*

An audit of the financial records of the Town of Dover-Foxcroft has been completed for the fiscal year ended December 31, 1964.

The examination included a review of cash transactions as well as an analysis of available funds and expenditures. The results are incorporated in the following text, exhibits and schedules pertaining to the financial affairs of the Town.

The operations for the year showed that the net unexpended balances lapsed in departmental accounts amounted to \$2,710.54 per the following summary:

Departmental Accounts (Exhibit D) —	
Unexpended	\$9,386.05
Less: Overdrafts	6,675.51
	<hr/>
	\$2,710.54

### ASSETS

The cash balance of \$81,614.57 in the general checking account was reconciled with statement furnished by The Merrill Trust Company and verification of subsequent deposits. Office funds were verified by count of cash at date of audit.

Other assets were reviewed to determine their correctness. Lists of unpaid accounts were reconciled with recorded balances.

### LIABILITIES

Insofar as could be determined, there were no

current liabilities.

### RESERVES AND SURPLUS

A reserve in the amount of \$1,492.47 is being maintained for possible losses in taxes receivable.

Balances carried forward totaled \$71,831.71. This amount is comprised of the following accounts: Civil Defense \$417.55, Mayo Memorial Hospital Funds \$11,105.56, Warren Home \$1,896.24, Baskett House \$95.23, Lincoln Street Sewer \$1,181.73, Highway Equipment Replacement \$9,319.27, Education \$43,253.30, Sebec Lake Area Development \$1,000.00, Dutch Elm Disease Control \$216.41, Social Security Taxes \$79.18, Group Life Insurance \$1,554.23, By-Laws and Ordinances \$363.12, Industrial Development Committee \$964.71, Planning Committee \$200.00, Civil War Centennial \$158.95 and Scout Hall \$26.23.

The unappropriated surplus of \$49,306.96 reflects an increase of \$8,636.32. Analysis of this account is shown on Exhibit E of the accompanying report.

### DEBT FUND

The Debt Fund, incorporated in the balance sheet as a separate fund in the amount of \$131,159.26, is comprised of the following accounts: School Construction Notes \$15,000.00, Academy Gymnasium Notes \$113,959.26 and Sewer Construction Notes \$2,200.00.

### SCOPE OF AUDIT

Town Clerk's records were examined, insofar as pertained to the financial operations of the Town.

Treasurer's receipts and warrants were test checked to determine accuracy of recorded transactions. Cash receipts were reconciled with bank deposits and warrants reconciled with bank charges.

The 1964 assessment of property and poll taxes was proved and compared with list committed to the

collector. Copies of excise tax receipts were reviewed and test checked with amounts remitted to the treasurer.

Transactions in tax liens were reviewed. Matured tax liens and subsequent assessments were transferred to the tax acquired property account.

Recorded transactions in tax acquired property were examined.

Accounts receivable originated from current year transactions.

Notes payable were verified.

Trust fund resources were verified and transactions in trust fund balances were recorded.

In our opinion, subject to the foregoing comments, the accompanying exhibits and schedules fairly present the financial condition of the Town as of December 31, 1964 and the results of its operation for the year then ended.

## ANNUAL REPORT OF THE LIBRARIAN THOMPSON FREE LIBRARY

The total number of books, magazines and pamphlets circulated during 1964 was 38,283, including material from both the Maine State Library and the Bangor Public Library. There are 746 juvenile and 1816 adult cards now registered, plus an increasing number of non-resident and visitor's cards have been assigned.

A total of 475 new books were accessioned during the year, 191 adult fiction, 142 adult non-fiction and 141 juvenile books. There are 43 adult magazines, seven children's magazines, five daily newspapers and two weekly newspapers available.

We received gifts of books from the Athena Club, Madelyn Betts, Walter Buck, Duane Crabtree, Harriet Doore, Margaret Dow, Barbara Goodwin, Robert Hall, Ethel Harvey, the Rev. Joseph Hedrick, Mary Noel, Sandra Jean Preble, Erminie Steeves, Bernice Sterling, Arthur Surette, Lottie Warren and Joseph Zilinsky.

We have also received books in memory of Dudley C. Goodwin, Sr., Stanley Merrill and J. Eric Love.

During the year, the flagpole was repaired, repainted and a new flag was presented to us as a gift from the Miosac Club. Also during 1964, new fluorescent lights were installed by Lyle Macomber, giving us a much better lighting arrangement for the reading room, Maine room and desk area.

Mrs. Elizabeth Kimball, Mrs. Julia Glover, Mrs. Madelyn Betts and Mrs. Doris Zilinsky attended the spring meeting in Guilford concerning National Library Week, and several classes of children toured the library in the fall in conjunction with National Book Week. At Christmas, the annual story hour was held with Mrs. Bea Gellerson telling the stories.

In November, Mrs. Doris Zilinsky resigned her position as librarian due to ill health. The present staff includes Miss Mary Kimball and Mrs. Margaret Dunham, Assistant Librarians, Mrs. Mildred Pratt as monitor during the evening study hours, Mrs. Winona Rideout and Mr. James Cairns, custodians.

Respectfully submitted,

SHIRLEY PARTRIDGE, Librarian

## TOWN CLERK'S REPORT

CLERK'S RECORD OR CERTIFIED COPY, PRIMA FACIE EVIDENCE. The State Registrar and Clerk of a municipality shall not permit inspection of the records of Birth, Marriage and Death. Marriage intentions, excepted, or issue of a certified copy of a certificate relating thereto, or to parts thereto, unless he is satisfied that the applicant therefor has a direct and tangible interest in the matter recorded. The decision of the State Registrar or the Clerk of a municipality being subject, however, to review by the Superior Court or any justice thereof in vacation, under the limitations of this chapter. The city and town clerks shall, upon request, supply to any SUCH QUALIFIED applicant a certified copy of the record of any birth, marriage or death registered under the provisions of this chapter, upon the payment of a fee of \$1.00, to be paid by the applicant in advance. For any search of the files and records, where no certified copy is made, the fee shall be \$1.00 for each hour or fractional part of the hour for time of search, said fee to be paid by the applicant in advance. The city or town clerk's record of any birth, marriage, or death or a duly certified copy thereof, shall be prima facie evidence of such birth, marriage, or death, in any judicial proceeding.

### VITAL STATISTICS

#### For the Year 1964

234 Births — 18 less

74 Marriages — 23 more

96 Deaths — 8 less

Respectfully submitted,

CARROLL W. AMES,  
Town Clerk

## REPORT OF THE WARREN HOME

Some years ago, Victor Warren had a desire to see a Home established where older women could live the declining years of their lives in the pleasantness that peace and harmony bring. A little more than a decade ago, his widow, Laura Doore Warren, gave to the Town of Dover-Foxcroft, in his memory, the Guernsey house, for this purpose. Thus, in 1954, this desire became a reality.

We are thankful for this haven-of-rest and for the feeling of security and to-gether-ness which the Warren Home group enjoys, and thankful to those who have contributed in any way to make this possible. We appreciate the effort and hours spent by our Trustees, Hazel Hill, Dora Gammon and Eugene Mountain, in planning and pursuing ways and means of improving mental and physical well being in our behalf. Special thanks to our Town Manager, Laurence Peabody, the Selectmen and the taxpayers in tiding us over, when we've had to have help.

At this writing, we have six members and three boarders. This past year, two of our members met with the misfortune of broken bones, otherwise we are enjoying comparative good health and many good times together, under the Hand of the Giver of all good things.

Respectfully submitted,

VIOLET T. AUSTIN, Matron

## POLICE DEPARTMENT REPORT

To the Citizens of Dover-Foxcroft, Maine:

The past year has been a busy one, with more calls and some of a different nature. We have worked on the Junk Car and Nuisance Laws in regards to parts of cars to great extent with great success and cooperation from all. This past summer our streets were painted for parking and cross walks, which was a very great help to all. The calls to assist others have increased as we try to help everyone who calls upon us. We also have excellent cooperation from all whom we work with. During the past summer, it became necessary to put an officer on duty Sundays, because activities and calls increased. This allows us one day off a week.

The day of the Peaks-Kenny Park dedication, we chauffeured the Governor around at the landing and stood by for radio calls. There have been a lot of calls for information in regards to the new Park which we believe will help the Town very much. Off street parking is still a problem and we hope some day to have more space available for use, as parallel parking has cut down on available space. It is our hope that in the near future, it will be possible to have an officer on duty 24 hours a day. If it were not for the able assistance of the Sheriff's Department, it would be a must now.

Again we wish to thank everyone for their fine cooperation during the past year.

Respectfully submitted,

GERALD H. GREEN,  
Chief of Police  
WILLIAM FAIR,  
Police Officer

## REPORT OF SCHOOL NURSE

To the School Committee and Joint Board, I hereby present the report of the School Health Program for the year 1964-1965.

Our school health program is mostly concerned with the prevention of disease and the correction of defects before they become major problems.

Our disease prevention program is quite extensive in scope. Through immunizations, we offer protection against the following diseases: polio, small-pox, tetanus, diphtheria and flu. Many parents take advantage of this opportunity to protect their children against these dread diseases. Any pupil that shows signs of illness is excluded from school until such time as it is considered safe to return to class.

Defects are discovered by examining the pupils and reporting to parents when conditions needing attention are found. These defects are anything from carious teeth to serious heart conditions. The prompt cooperation of the parent is greatly appreciated.

At Foxcroft Academy, physical examinations are given to all pupils, with special attention given to those who participate in sports, by the school physician, Dr. Bradbury.

In the Elementary Schools, Dr. Bradbury examined the alternate grades—starting with the sub-primary and going through the second, fourth, sixth, and eighth grades, plus any pupil that was referred by a teacher for an examination, or any pupil participating in a sport.

Eye re-checks are done by the nurse as requested by the teachers. Glasses have been secured for several needy children.

The hearing of all the pupils is tested by the use of an audiometer. If a hearing loss is found, the parent is contacted.

For the second year, we have cooperated with the Bureau of Health and done a tuberculin skin testing program in the sub-primary and seventh grades.

The services of the State clinics are offered to all parents when the need is indicated. These clinics include hard-of-hearing clinics as well as clinics for the diagnosis and correction of orthopedic, cardiac and medical abnormalities.

Home visits continue to be a major part of our health services and are made for many and varied reasons. The cooperation and interest of the parents is greatly appreciated by the nurse as she makes these visits. Our School Health Program is always ready to assist any pupil or parent with their health problems.

I want to thank the Joint Board and the School Committee, the teachers and the parents for their cooperation and interest in our health program.

Respectfully submitted,

EILEEN BONSEY, R.N.,  
School Nurse

## REPORT OF PUBLIC HEALTH NURSE

Maine Department of Health and Welfare  
Division of Public Health Nursing, Bureau of Health  
Annual Report of Public Health Nursing Service  
in Dover-Foxcroft for the Year 1964

Your public health nurse works toward prevention and control of communicable diseases, including tuberculosis and venereal disease in your town, through home visiting to those families needing this service. This public health nursing service includes assisting in the investigation of the source of disease, in arranging for X-rays, in the treatment and care of the patient, and in the follow-up of contacts.

The public health nurse gives nursing care and guidance through home visits to infants and pre-school children under the care of the Division of Maternal and Child Health and Crippled Children's Services. The following clinics are available to all children in your community who are referred by the family physician: Orthopedic, Hard of Hearing, Pediatric, Cardiac, Cystic Fibrosis, Adolescent, Cleft Palate Evaluation Clinic and the Clinic for the Mentally Retarded Pre-School Child.

Presently, the public health nursing service Dover-Foxcroft receives does not constitute a total public health nursing program. The school nursing in Dover-Foxcroft continues to be given locally by a school nurse. Additional services which your community would receive in a total public health nursing program would include: child health conferences at which health guidance is given to the parents and health examinations and immunizations are offered to well infants and pre-school children; home visits to expectant mothers for health counseling and nutrition guidance by the public health nurse; home nursing care of the sick and disabled under medical direction of the patient's pri-

vate physician; and health teaching of individuals and families in their homes for the prevention of illness, promotion of health, and correction of defects.

There is need to reactivate the Dover-Foxcroft Health Council in order for members to study the health needs of the community and find ways to meet these needs.

Respectfully submitted,

CAROLYN A. WELCH, R.N., B.S.,  
Public Health Nurse

## SUPERINTENDENT OF SCHOOLS REPORT

To the Superintending School Committee and Citizens of Dover-Foxcroft:

The following changes in the faculty have been made since my last report:

Mrs. Eleanor Ward—Grade 1—Resigned. Replaced by: Mrs. Romella Hedrick—Grade 1—a graduate of Rockford College.

Miss Opal Grass—Grade 4—Resigned. Replaced by: Miss Betty Raymond, a graduate of Gorham State Teachers' College.

Mrs. Rose Hurston—Sub-primary—Resigned. Replaced by: Mrs. Joan Scales, graduate of Tufts University, teaching a division of Grade 2.

Mrs. Virginia Steenstra—Grade 3—Resigned. Replaced by: Miss Judith Baker, a graduate of Washington State Teachers' College, teaching a division of Grade 2.

The opening enrollment in September of 744 pupils was twenty below that of the previous year. Even with the fewer pupils, we still have a 26.6 pupil/teacher ratio which is rather high. The number of pupils per grade is not uniform, consequently, some divisions are ideal while others are overcrowded. As nearly as can be determined, the 1965 sub-primary grade will enroll 90 next fall.

The latter part of November the housing development at Charleston Radar Station was completed and fourteen pupils left this system. This not only reduced the pupil/teacher ratio but also will reduce substantially the amount of money available from the Federal Government under the terms of Public Law 874. In fact, unless there is an influx of pupils whose parents are federally connected, all money from this source will cease in two years.

A year ago we offered conversational French for the first time in the elementary schools. The Superintending School Committee felt that there was enough merit in the program to continue for a second year at least. Mrs. Virginia Bradford was hired to teach ad-

ditional time in this area. She now handles two divisions of beginners and two divisions of second year students.

There is a tremendous amount of interest in education at all levels. New studies and programs are being introduced and sponsored at both the state and national level. To determine which, if any, will benefit us in Dover-Foxcroft presents a continuing challenge. Although not a new program, whether or not to form a School Administrative District with some of our neighboring towns must be decided in the near future. Thirty-five of these districts have been formed and there are many bills to come before this session of the legislature requesting permission to form others. Over one-fourth of the teachers in the state are employed in these districts. As evidenced by proposed legislation, there is a growing interest for the state to mandate their formation or for those remaining towns which have not already done so to be arbitrarily grouped. Your local school committee is making some preliminary determinations at the present time.

The proposed budget is considerably larger than that of last year. Again, an increase in subsidy nearly offsets the increase. Major causes of the increase are salaries, an additional teacher to teach remedial reading, and some additional repairs, mainly an amount to paint the Pleasant Street School. The budget request is \$3,122 larger than that of 1964. To comply with a State Law, the money for repairs should be raised and assessed separate and apart from that raised for other school needs. Consequently, this account has been set up as a miscellaneous account.

The following table shows a comparison of state subsidy received, general fund appropriations and total expenditures since 1956. The Physically Handicapped

and Adult Education accounts are not included.

	State Subsidy (Applied to Elementary Schools only)	Raised by Town (Elementary Schools)	Expenditures (Elementary Schools)	F.A. Contract
1956	\$ 58,396	\$ 72,280	\$128,900	\$ 52,719
1957	72,382	77,765	144,694	57,202
1958	73,336	75,816	158,576	62,042
1959	87,240	87,618	174,134	71,407
1960	87,240	87,590	190,197	75,882
1961	109,126	86,269	198,050	* 104,625
1962	125,147	75,962	209,201	108,201
1963	142,970	71,606	220,603	124,372
1964	148,837	67,550	226,492	142,798
1965	164,328	** 66,472	<hr/>	145,380
	(anticipated)	(requested)		(requested)

(\*) Includes depreciation for gymnasium.

(\*\*) This does not include the amount needed for Repairs.

The following amounts are recommended by the Superintending School Committee to carry out the operation of the schools for the school year 1965.

General Fund	\$66,472
Repairs	4,000
Physically Handicapped	200
	<hr/>
	\$70,672

Respectfully submitted,

FREDERICK L. MOSSLER,  
Superintendent of Schools

Margaret B. Anderson		Secretary and Bookkeeper

Our 1964-65 faculty consists of eighteen full time teachers and two music teachers who devote approximately fifty per cent of their time at the Academy. There was only one teaching change this year. Mr. Bryan Springer, resigned to accept the principalship of Allagash High School and we were fortunate to hire Mr. John Arnold as his successor. Mr. Arnold, a graduate of Foxcroft Academy, received his undergraduate college education at Bowdoin College and has fulfilled all of the requirements except his thesis for his Masters of Arts degree from Tufts University. His rich

academic background and his knowledge of dramatics have greatly complemented and strengthened our English department. In fact, any school is as good as the background of its faculty. We have been indeed fortunate in retaining the services of a large percentage of our faculty and as a result our children have been able to receive the benefit of this training and interest. It is only to be hoped that this continuity can be maintained.

This year's graduating class will be the largest in the history of the school. It is not only the largest in terms of numbers, but it has established a record for having the least number of students leave school. In the fall of 1961, 116 entered as freshmen and currently there are 102 still enrolled. Many of these people already are awaiting word as to their educational future. Because of the intense competition for college admission, each person has to file applications to two, three, and even four schools in order to feel he may have some hope of being accepted by one. Twenty-four of our present senior class have applied to the University of Maine for admittance. Out of that number probably half of them have also applied to other schools. Against this background the University of Maine finds itself swamped with four or five applications for each person it can admit; — so is it true with all colleges. It is a vicious circle and one that will not find a solution for several years to come.

Twenty-eight of last year's 62 graduates actually entered school last fall; seventeen in four year colleges, — the rest in one and two year specialized schools. It looks as if this year's class will surpass the 50% number entering post secondary schools.

Reams of words are being written concerning the necessity that each young person stay in school, that he absorb all the education that he is capable of

absorbing. To-day, few industries or business concerns will consider for permanent employment the non-high school graduate. His plight is well defined and his path to unemployment clearly outlined. He is fully aware that his future is limited without the high school diploma yet his immediate pleasures are so real to him, his immaturity so obvious, that he often loses sight of the real objectives of school. He or she stays on in school with no desire nor interest in learning, yet, daring not to leave because there is no road to follow. We do not have the answer to the needs of these children. Specialized shops and training can help many but they do not answer the needs of a large percentage that eventually drop out of school before completing the twelve years.

Within the range of our financial ability, we must offer these young men and women the types of programs that will more nearly challenge their interests and their mental and physical aptitudes. For that reason we are submitting a special article asking for a sum of \$12,500 which will be over and above our regular contract for 1965-1966. This amount is needed to start an Industrial Arts Program; a similar amount will be necessary for each of the two succeeding years, after which the annual cost will be approximately \$6,500 to \$7,000. A program of this type will be exploratory in nature and will not turn out skilled craftsmen. It will not be a panacea for all disenchanted youth but it will, like most high school courses, be a point from which a young man can start a training program that could lead to a vocation. A sequel to this program may become a reality should the current legislature pass legislation which would establish and help finance area vocational programs in each of the sixteen counties.

With the need apparent and the demand urgent,

the Joint Board of Foxcroft Academy is submitting this new program to the voters of Dover-Foxcroft for their action, in the nature of an additional article to our budget. The decision belongs to the voters of the town. Furthermore, we are ready to accept students from any School Administrative District that may be formed under the Sinclair Act, should that be advantageous to the area which we serve.

Athletically, we have enjoyed a successful year. Last year's basketball team won a spot in the Eastern Maine Class L Tourney at Bangor. Although they failed to win their game with Madison High School, it was one of the best games in the entire three days. We lost 76 to 71. In our spring sports all our teams showed to advantage. The girls have pretty much dominated the league in both basketball and softball. Our baseball team shared the Penquis Title with Guilford, while our track team held a number of exciting meets sparked by the individual performance of Robert Annis. Interest in this sport is infecting the entire school. Our 1964 football team lost only one game to Stearns High School of Millinocket. As a result of this excellent season, we again won the Penquis League Championship and were runners-up to Stearns for the Little Ten Title. Wrestling is a relatively new sport in Maine and has been accepted with enthusiasm by our boys and the school in general. Last year several matches were held at the F. A. gym along with the State Class "B" Meet. We have been asked to host the State Meet again this year on March 27th. Schools will come from all sections of Maine. The individual as well as the team has a chance for displaying his ability in his own weight class. I urge everyone to attend this exciting event and to enjoy this excellent sport.

To the faculty, to the Superintendent of Schools, to the Joint Board of Foxcroft Academy, and to the

parents and citizens of Dover-Foxcroft, I wish to express my thanks for your loyal support in helping us meet the educational needs of this Academy. Your continued interest and assistance are welcomed and solicited because education is not a job for the schools alone but one belonging to all the people.

Respectfully submitted,

TILLSON D. THOMAS, Principal

# DOVER-FOXCROFT SCHOOL DISTRICT

## SIXTEENTH ANNUAL REPORT OF TRUSTEES

\*\*\*\*\*

To the Municipal Officers of the Town of Dover-Foxcroft:

During the year, no condition of the District property requiring current action on the part of the Trustees has come to our attention. The property of the District is being maintained by the Superintending School Committee and is all in usable condition.

The report of the auditor has not yet been received. However, it will show cash on hand as of January 1, 1965 of \$27,984.68 and long term indebtedness outstanding as follows:

2% Bonds of 1950	\$ 35,000.00
2 $\frac{1}{8}$ % Bonds of 1950	20,000.00
4 $\frac{1}{4}$ % Bonds of 1956	120,000.00
3.30% Notes of 1958	10,800.00
	<hr/>
	\$185,800.00

Cash on hand as of January 1, 1965 is budgeted for 1965 as follows:

Note and Bond

Principal Reduction	\$ 19,700.00
Interest on Bonds and Notes	6,466.85
Treasurer's Bond and Salary	260.00
Available for Credit on	
1965 Tax Levy	1,000.00
Miscellaneous	557.83
	<hr/>
	\$ 27,984.68

Respectfully submitted,

WILLIAM G. GLOVER  
HALE G. STANLEY  
E. EUGENE GAMMON  
GEORGE W. WARREN  
STUART E. HAYES  
Trustees of Dover-Foxcroft  
School District

## REPORT OF ELEMENTARY SUPERVISOR

To the Superintendent, Superintending School Committee and Citizens of Dover-Foxcroft:

A meeting with parents of sub-primary children was held in the Elementary School early in September, so that parents could meet the teachers of those grades and learn about the program of the first year of school. Miss Doore, Miss Greenlaw and Mrs. Page summarized the programs in Readiness, Reading, and Arithmetic and outlined areas where mutual understanding and cooperation would prove beneficial. Although attendance was small, those who came thought it very worthwhile, so we plan to repeat this service next fall.

The course in conversational French, begun last year on a trial basis, using the E T V program *Parlons Francais*, has been extended this year. Though we have discontinued it in Grade 4, it is now being offered to all pupils of Grades 5, 6, and 7. Six classes are receiving instruction in French I and three in French II.

Miss Marjorie Richards, reading consultant to the American Book Co., publishers of new reading materials which we are using, spent a day working with teachers in the elementary schools. Miss Richards taught several demonstration lessons and spoke to all the teachers at a general meeting after school. Her suggestions for the efficient use of various reading materials were both helpful and stimulating.

The results of tests given this fall show the median of achievement of all grades to be above national norms. However, in comparing last year's, we find that a year's progress was not made in some areas. We are now in the process of re-evaluating these areas to find out why this was so and to determine what steps are necessary to upgrade the work.

Study groups have been formed among the teachers to deal with various phases of the curriculum. These groups meet after school one day each week to analyze our programs in reading, spelling and social studies. Adjustments in organization and curriculum will result from their recommendations.

Textbooks published by Science Research Associates have been made available to all teachers, to be used in an in-service program in modern math. This training will enable teachers to make better use of materials now available. Modern concepts in math are now being presented in several classes where teachers have had this preparation.

Approval and accreditation programs for elementary schools of Maine are now under consideration by the state department of education and the legislature. Criteria for the evaluation of educational facilities and academic programs will be forthcoming in the near future. In preparation for this, a committee of teachers and administrators are at present analyzing the local situation, studying what has already been done at the junior high and secondary levels in this state and in elementary systems in other states.

Respectfully submitted,

CEDRIC A. HEWES,  
Elementary Supervisor

## REPORT OF SUPERVISOR OF MUSIC

To: Frederick L. Mossler, Superintendent of Schools  
and the Board of Education

The music department is well on its way toward completing its fifth year with an instrumental director and a music supervisor doing the vocal work. The results are very rewarding. A big and showy program at high school level without basic work in the lower and upper grades is like building a superstructure without a foundation. We are now enjoying the fruits of a solid foundation.

The All-State Festival auditions are much more of a challenge than they were a few years ago. They include rather difficult music for sight singing. This year our Foxcroft Academy tryouts had to sing the audition number without accompaniment, likewise their sight singing number. The piano at their audition room was so badly out of tune that it couldn't be used. In spite of this handicap, 14 out of 17 students were chosen. Kathy Libby was one of only two students in the state to be chosen for piano in orchestra. Ten band members were chosen and four first alternates. In comparison with many cities having a much higher student population, the number of Foxcroft Academy students chosen is a great honor.

This year the 6th grade glee club numbers 70, the Grammar School glee club 50, the Foxcroft Academy mixed chorus 100, the Varsity Choir 35 and the Blue Belles 10. In band there are 44 beginners, 86 Grammar School members and 72 Foxcroft Academy band and 17 Foxcroft Academy dance band.

Snappy and colorful half-time shows performed by the FA band opened the season for the music department. On November 11 the Varsity Choir performed

for an American Legion program. Both Grammar School and FA bands have played at basketball games.

In December the music department as a whole gave its first concert of Christmas music. It was well attended and was enthusiastically received by the audience. During the Christmas season the Blue Belles sang for the Cosmopolitan Club.

A lively Irish Minstrel was produced by the Grammar School and 6th grade music clubs. The students participating thoroughly enjoyed the happy and beautiful Irish songs and the jokes that help make up a minstrel. The band played a fine march and four interesting concert numbers. Mrs. Brown of the Grammar School faculty directed the dance and the production of posters and decorations. Miss Evelyn Weston made the programs. She also is treasurer of the Grammar School Music Fund. This fund pays for extra music for band and glee clubs and finances trips such as exchange programs and festivals.

On March 13 the Foxcroft Academy music clubs will present their annual Pops Concert. At this concert a stage show is always included. This year the setting is an old fashioned garden. A water fountain prepared by David Weatherbee and trellises and artificial flowers made by boys from Mr. Eugene Coffin's department and by members of the mixed chorus will be used. Cole Porter's "Just an Old Fashioned Garden" will be the theme song and other well-known flower songs will be used.

Further activities of the FA Music Clubs will include an exchange program, attendance at the Central Maine Music Audition Festival in Skowhegan, a Portland television program and participation in the Memorial Day program and commencement music.

The Grammar School Band continues the year's work with an exchange with Fairfield, performance at

the annual Band-o-Rama and Memorial Day parade. The Grammar School chorus will go to Skowhegan for the Audition Festival and will sing in the final assembly program.

Mr. Thorne has presented his dance band at a Grammar School dance, the Teachers' Club, the Miosac Club and the Christmas Ball. They will also play for the dance held during the All-State Festival and will go to Winthrop in the late spring for a dance band contest.

The solid foundation of sight singing, ear training, rhythmic training and harmony singing makes it possible for students in Dover-Foxcroft to reach a high level of music development. Contests in music reading and in theory, yearly awards for excellence and intramural concerts keep the classes on their toes.

New music books and recordings for grades 8, 5 and sub-primary have been provided this year by the school department. Three sets a year of replacements is the average. Each year the school department earmarks \$300 for a new band instrument. The small rental fee for school-owned instruments takes care of the repairs on them. A flannel board with felt notes and other music symbols has been added to the Grammar School equipment.

All of the school and town officials and the Music Boosters have expressed keen interest in the return of the All-State Festival to Dover-Foxcroft April 7-10. We hope that all citizens will attend one of the concerts on April 10. We recommend the afternoon performance for all local people who are free at that time. But if you can't come in the afternoon, do come in the evening. We will find room for you.

Again, Mr. Thorne (the instrumental director) and I express our happiness in serving Dover-Foxcroft. We heartily thank Mr. Mossler, the Board of Education, principals, teachers and parents for constant cooperation and support given to us.

Respectfully submitted,

LILLA ATHERTON,  
Music Supervisor

## RECREATION PROGRAM

To the Selectmen and Citizens of Dover-Foxcroft, a brief report on the activities of the Dover-Foxcroft Recreation Organization for the 1964-65 period. The program is divided into two parts, the summer program and the winter program. The following is a brief resume.

### Summer Program: 8 Weeks

1. Babe Ruth Baseball: (Age 14-16) 14 participants. No organized league this year but played eight games against Milo, Guilford, Brownville Jct, etc.

2. Little League Baseball: (Age 11-13) 60 participants. Four teams played an organized schedule, each team playing twice a week for six weeks.

3. Pee Wee League: (Age 6-10) 50 participants. Games were scheduled the same as the Little League.

4. Roller Skating: (All ages) an average of 50 participants at Sebec Lake each Tuesday afternoon.

5. Girls' Softball: 16 participants.

6. Volley Ball.

7. Touch Football (Age 11-13).

The summer program was under the direction of Walter Beaulieu assisted by Mike Fair.

### Winter Program:

1. Senior Recreation Center: Held at Central Hall each Saturday night for high school students and their guests. Director is David Thombs with assistance in planning by selected students at Foxcroft Academy. Activities consist of dancing, chess, table tennis, etc.

2. Jr. Recreation Center: Held at Central Hall each Friday night for grammar school students and their guests. Director is Raymond Poulin with assistance in planning by the student committee at the grammar school. Activities are the same as for the high school.

3. Senior Citizens' Group (Age 65-88). Meetings are held once a month at the American Legion Hall with an average attendance of 25. Mrs. Daisy Smith is president. Cards and other games are played by some, and others participate in a project for the needy of the town.

4. Little League Basketball: (Age 8-12) Eight weeks, 50 participants practice Monday and Thursday afternoons at Central Hall. Games are played Saturday morning. The program is under the direction of Walter Beaulieu with assistance of Charles Hoxie.

New projects this year were the Senior Citizens Group and Little League Basketball. The complete program has been very successful and a definite asset to the Town of Dover-Foxcroft.

Respectfully submitted.

A. C. POWELL  
Chairman, Dover-Foxcroft  
Recreation Organization

# ANNUAL REPORT OF MAYO MEMORIAL HOSPITAL

	<hr/>	
Unexpended Balance, Dec. 31, 1964		\$ 11,105.56

Study of the foregoing report shows that your hospital had a busy year with total adult patient days care increasing by about ten percent and outpatient visits by approximately 25%. This latter fact is attributable to many insurance companies no longer requir-

ing the patient to stay overnight in order to receive diagnostic benefits.

Operating income increased by about \$20,000.00 but of course, so did the cost of operation, approximately \$14,000.00. This resulted mainly from extra nursing staff to care for the increased patient load, a second full time office employee and occasional part time help to take care of the ever increasing paper work.

Because of these rising costs, it was felt necessary by your trustees to increase the room rates as of last September. Only three months of this revenue appears in the statement of operations.

Accounts receivables increased by about \$9,000.00 due to several outstanding bills rendered in late December and not paid for by insurances before the books closed. Further there has been a larger percentage of non-collectible bills for even with all due care by our office staff, your hospital cannot, or will not, refuse urgently needed care.

New office space has been built by closing in the old side porch which was necessitated by the above mentioned increase in office staff. This was paid for out of endowment funds and is not reflected in maintenance costs under the statement of operations. About half of the rooms and halls were painted during the past year. The ceiling in the laundry room was fireproofed to conform with State Fire Regulations.

New equipment includes a new mangle for the laundry and an automatic ice maker for the kitchen.

Stowell-MacGregor gave their customary and, unfortunately, last contribution. Over the years they have been most kind to your hospital and we shall miss them greatly as will indeed the entire town.

Mr. Edward Cudmore of St. Joseph, Michigan, son of Mrs. Nellie Cudmore of this town, was a patient

here earlier in the year and since his discharge has been most generous. His gifts have included a flush and lavatory for room seven down stairs, a new refrigerator for the kitchen and two automatic washers for the laundry. We are most appreciative of his kindness.

During the past year we have participated in the formation of a Regional Hospital Association with Dexter, Milo and Greenville. Monthly meetings have been held to discuss common problems and it is hoped eventually to be able to effect some savings by joint purchasing of common supplies.

It is my sad duty to record the passing of Mrs. Vivian Weatherbee in 1964. She had been a firm, loyal trustee for over ten years, giving of herself, as in everything she did, most unstintingly. A good friend of us all — we shall miss her greatly.

To Mr. Meisner, Miss Doore, and our entire staff, medical, nursing, office, and housekeeping, go my sincere thanks.

Respectfully submitted,

ISOBEL M. CURRIE, R.N.  
Superintendent  
Mayo Memorial Hospital  
Dover-Foxcroft, Maine

## ADVISORY COMMITTEE REPORT 1965

The Committee has held five meetings at this date, including one open to the public. It has labored diligently to consider each budgetary item in the warrant, and in its judgment has acted in a manner to provide the service which the citizens of Dover-Foxcroft need, want, and are willing to pay for.

The Committee recommends a budget of \$146,246 to be raised at Town Meeting, for the operation of the Town Budget.

School budgets continue to reflect substantial increases which gives this Committee definite concern. Some items in these budgets demand mandatory increases, others are affected by subsidies, therefore, it becomes difficult to create any substantial savings without jeopardizing the quality of these services.

The Committee recommends the following school budgets:

Town Schools	\$244,808.19
Foxcroft Academy	145,380.00
	<hr/>
	\$390,188.19
Anticipated Subsidies	
and Miscellaneous Income	176,336.19
	<hr/>
	\$213,852.00

### To Raise

Town Schools	\$ 68,472.00
Foxcroft Academy	\$145,380.00

Article 7A pertains to the introduction of an Industrial Arts course into Foxcroft Academy curriculum. The mechanics of establishing this course was very ably presented to this Committee by Principal Thomas and members of the Joint Board. Although this Committee feels there is a definite need for such a course, it was deemed best for all concerned that it be

presented to the citizens of Dover-Foxcroft during Town Meeting for final decision.

Regarding articles in the warrant which did not receive the Committee's approval, these articles no doubt have considerable merit but concern for the prevention of excessive increase in tax rate brought the decision to delay action for this year.

Items brought to the attention of the Committee but not included in the Warrant, or action taken on them were, Bridges, Spring St., North St., Mechanic St.; Fence for Sebec Lake; Sewage Disposal facilities; and Traffic Signs.

The Committee appreciates the time, effort and patience given by the Board of Selectmen, Town Manager, Joint Board of Foxcroft Academy, and Principal, the School Committee and Superintendent and the secretaries of same.

# WARRANT

To Laurence A. Peabody, a Constable of the Town of Dover-Foxcroft, in the County of Piscataquis, and State of Maine, or any other Constable of said Town.

## GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Dover-Foxcroft, in said County and State, qualified by law to vote in Town Affairs, to meet at Central Hall in said Town on Monday, the eighth day of March, A.D. 1965, at nine-forty-five o'clock in the forenoon to elect a Moderator to preside at said meeting, for the election of all Town Officers for the ensuing year as are required by law to be chosen by secret ballot, and to act upon such other articles as may be placed upon the secret ballot; and at seven-thirty o'clock in the afternoon at Foxcroft Academy Gymnasium, in said Town, to act upon the following articles, viz:

- Art. 1. To see if the Town will vote to raise and appropriate a sum of money for administration of Town affairs during the ensuing year as follows:

Advisory Committee Recommendation	
A. Town Office	\$ 5,400.00
B. General Government	13,000.00
C. Central Hall	3,700.00
D. Elections	200.00
E. Clerk & Treasurer	400.00
F. Assessing	2,300.00

- Art. 2. To see if the Town will vote to raise and appropriate a sum of money for protection of persons and property as follows:

Advisory Committee Recommendation	
A. Police Department	\$ 9,650.00
B. Police Car	1,750.00
C. Street Lights	7,920.00
D. Fire Protection	1,800.00

- Art. 3. To see if the Town will vote to raise and appropriate a sum of money for Health & Sanitation services, as follows:

**Advisory Committee Recommendation**

A. Public Dump	\$ 1,500.00
B. Sewer Maintenance	700.00
C. Board of Health & Vital Statistics	100.00
D. Sewer Construction	none
E. Warren Home	4,500.00

- Art. 4. To see if the Town will vote to raise and appropriate a sum of money for the support of the poor as follows:

**Advisory Committee Recommendation**

A. Town Poor	\$ 12,000.00
B. Aid to Dependent Children	2,500.00
C. Surplus Foods	800.00

- Art. 5. To see if the Town will vote (1) to accept the provisions of the State Law relative to the construction of State Aid Roads, and (2) to raise and appropriate a sum of money for Roads, Highways and Bridges as follows:

**Advisory Committee Recommendation**

A. Highways, General	\$ 30,000.00
B. Snow Removal	26,000.00
C. Surface Treatment	8,000.00
D. Street Cleaning	1,400.00
E. Sidewalk Construction	2,000.00
F. State Aid Construction	4,776.00
G. Highway Equipment	2,000.00

- Art. 6. To see if the Town will authorize the School Committee to make arrangements with the Trustees of Foxcroft Academy for tuition for its High School Scholars.

**Advisory Committee recommends favorable action**

- Art. 7. To see if the Town will vote to raise and appropriate a sum of money for School & Education as follows:

**Advisory Committee Recommendation**

A. General Fund	\$ 66,472.00
B. School Repairs	2,000.00
C. Handicapped Children	200.00

**D. High School Tuition 145,380.00**

- Art. 7a. To see if the Town will vote to raise and appropriate \$12,500, to establish an Industrial Arts program at Foxcroft Academy.

**Advisory Committee recommends full discussion**

- Art. 8. To see if the Town will vote to raise and appropriate a sum of money for the maintenance and care of cemeteries as follows:

**Advisory Committee Recommendation**

- |                           |                    |
|---------------------------|--------------------|
| <b>A. General Care</b>    | <b>\$ 3,500.00</b> |
| <b>B. Veterans Graves</b> | <b>300.00</b>      |

- Art. 9. To see if the Town will vote to raise and appropriate a sum of money for the following accounts:

**Advisory Committee Recommendation**

- |                                     |                    |
|-------------------------------------|--------------------|
| <b>A. Thompson Free Library</b>     | <b>\$ 6,000.00</b> |
| <b>B. General Insurance</b>         | <b>3,300.00</b>    |
| <b>C. Fairgrounds</b>               | <b>300.00</b>      |
| <b>D. Civil Defense</b>             | <b>200.00</b>      |
| <b>E. Sebec Lake Beach Property</b> | <b>1,000.00</b>    |
| <b>F. Agriculture Club</b>          | <b>75.00</b>       |
| <b>G. Maine Publicity</b>           | <b>200.00</b>      |
| <b>H. Memorial Day</b>              | <b>175.00</b>      |
| <b>I. Abatements</b>                | <b>500.00</b>      |
| <b>J. Chamber of Commerce</b>       | <b>200.00</b>      |
| <b>K. Social Security</b>           | <b>2,200.00</b>    |
| <b>L. Dutch Elm Disease</b>         | <b>400.00</b>      |
| <b>M. Group Life Insurance</b>      | <b>1,000.00</b>    |

| <b>O. Life Guard</b>                | <b>300.00</b>      |
| <b>P. Industrial Committee</b>      | <b>100.00</b>      |

- Art. 10. To see if the Town will vote to raise and appropriate a sum of money for the purpose of paying the obligations of the Town for temporary loans and long term indebtedness as follows:

**Advisory Committee Recommendation**

- |   |                  |
|---|------------------|
| <b>A. Interest on Bonded<br/>Indebtedness</b> | <b>\$ 600.00</b> |
| <b>B. Interest on Temporary Loans</b>         | <b>1,800.00</b>  |
| <b>C. Retirement of School Note</b>           | <b>7,500.00</b>  |
| <b>D. Retirement of Sewer Note</b>            | <b>2,200.00</b>  |

- Art. 11. To see if the Town will vote to authorize the

Selectmen to sell and dispose of its cemetery lots, and any real estate acquired by the Town for non-payment of taxes, or mortgage foreclosure, on such terms as they deem advisable and execute the proper deeds therefor on behalf of the Town.

**Advisory Committee recommends favorable action**

- Art. 12. To see if the Town will vote to install a street light on Riverside Drive.

**Advisory Committee recommends unfavorable action**

- Art. 13. To see if the Town will vote to install a street light on Morse Avenue.

**Advisory Committee recommends unfavorable action**

- Art. 14. To see if the Town will vote to raise and appropriate \$550.00 for Public Health Nursing, said sum to be expended by the Maine Department of Health & Welfare, Bureau of Health.

**Advisory Committee recommends favorable action**

- Art. 15. To see if the Town will vote to reconstruct Morton Avenue, build a sidewalk along said Avenue, and raise and appropriate a sum of money for same.

**Advisory Committee recommends unfavorable action**

- Art. 16. To see if the Town will vote to extend the sewer on West Main Street, from the man-hole near the Gulf Service Station to a point near the railroad crossing, approximately 2500 feet, and raise and appropriate a sum of money for same.

**Advisory Committee recommends unfavorable action**

- Art. 17. To see if the Town will vote to extend the sewer on Mechanic Street to Whittier Street, and along Whittier Street, the total distance to be approximately 1400 feet and raise and appropriate a sum of money for the same.

**Advisory Committee recommends unfavorable action**

- Art. 18. To see if the Town will vote to improve the

street lighting along West Main Street and raise and appropriate a sum of money for the same.

**Advisory Committee recommends unfavorable action**

Art. 19. To see if the Town will vote to authorize the Selectmen to purchase land for Cemetery purposes, and raise and appropriate a sum of money for the same.

**Advisory Committee recommends favorable action**

The Selectmen hereby give notice that the polls for the election of Town Officers as are required to be chosen by secret ballot, and to act upon such other articles as may be placed upon the secret ballot, will remain open from ten o'clock in the forenoon until seven o'clock in the afternoon, when they will be closed; and the office of the Registrar in Central Hall Building will be open at ten o'clock in the forenoon on the third, fourth and fifth days of March, A.D. 1965 to receive applications of persons claiming a right to vote.

Given under our hands, this twenty-fifth day of February, A.D. 1965.
